Flag Market, Preston

At Oxheys we are celebrating our 3rd birthday, in style with a special Summer Open exhibition featuring work from artists from all over Lancashire.

We are also excited to welcome Preston Poets Society who will be performing some of their poetry on the theme of summer and celebration, with a selection of their books available in the loading bay.

Alongside the exhibition will be a special Art Market featuring a one-day pop-up event on Preston Flag Market. which will offer a diverse selection of artworks together with performance and workshops.

Enjoy these opportunities to see, hear, enjoy and buy work created by local artists at affordable prices.

Oxheys Mill Studios is an artist-run, not-for-profit collective of artist studios and project space, in a disused industrial mill, in Preston. Set up in 2011 by 3 Preston-based artists, it is run on a voluntary basis, with the aim of responding to the lack of contemporary studios and exhibition space in Preston
